Optional: download the free "Tipsubmit Mobile" application for iPhones, iPods, and Androids

How it works:

Your tip is sent to a secure server in Canada where all of your identifying information is removed and a four-digit code is assigned to you. The tip is then forwarded to the law enforcement agency serving the towns of Lincoln County and assigned to an officer for follow-up. The officer might text you back to get more information. If you don't want the law enforcement agency to communicate with you, send a text message with the word STOP to 274637 at any time.

Cost to Text a Tip: This service is free however; standard messaging rates and other fees may apply depending on your mobile plan. Check with your carrier for details.

Note: Tips are anonymous – the law enforcement agency has no way of identifying you.
