Highlights of the Week

July 28th '14
Week 5

- Congratulations to Della Johnson, our raffle winner at the YMCA.
- The Thompson Community Center in Union site opened this week, serving 30 art camp kids and 10 neighborhood preschoolers.
- Sorry the yogurt was not flavored. We promise it will be vanilla flavored and more delicious next time.
- Everything is moving along smoothly; thank you all for your help and support.

Kids from the Bristol Congregational Church site enjoy the Yogurt Parfaits.

Reminders

- Please encourage the use of the share bowl. We don't want to waste any food that can feed kids who are still hungry after their first lunch.
- Make sure to keep the lunches refrigerated in coolers on field trips.
- Double check milk expiration dates to ensure we are not serving spoiled milk.

Statistics

- Don and Lauri made 1,011 lunches.
- 650 breakfasts were delivered.
