

# Summer Meals Newsletter

## Healthy Lincoln County

---

### Highlights of the Week

August 11th '14  
Week 7

- Camper Hailey won the raffle at the YMCA, taking home a kick-ball.
- Wiscasset Community Center has a community volunteer, Judy Flanagan, picking up and delivering food once a week. This has been extremely helpful to Wiscasset and the Summer Food Service Program.
- Our first claim will be submitted to the USDA this week. Between June 23-July 31, we have served 2,087 breakfasts and 3,421 lunches to children in Lincoln and Knox counties.

Wiscasset camper enjoys his cereal breakfast.

### Reminders

- As some camps start to wrap-up this week, please pay attention to the number of leftovers to ensure no food will be wasted.
- Summer Food Service ends on August 22. For any camps that continue after August 22, we will not be able to provide meals. We apologize for any inconvenience.

### Statistics

- Don and Lauri made 660 lunches.
- 350 breakfasts were delivered.
