

# LINCOLN COUNTY SUMMER MEALS ANNUAL REPORT 2018

Every school year, 21 million children receive free or reduced-price breakfast and lunch. But during the summer, many of these children go hungry. The USDA Summer Meals program, sponsored locally by Healthy Lincoln County, provides free, nutritious meals to children at 15 open sites. This year was another successful year for the program, serving 10,553 meals!

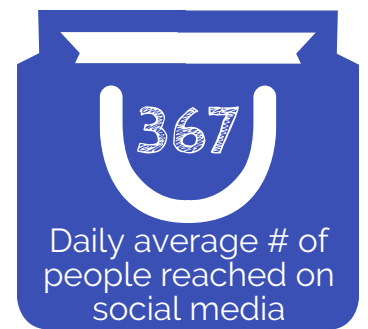

## LOCAL SITES & PARTNERS:

+ 5 NEW SITES

15 TOTAL SITES
